Jesus, Jews, & Muslims Conference

Very few Christians understand Judaism or Islam. Even fewer know how to converse with Jews and Muslims. Christians often feel paralyzed to share the Gospel with these people. We hope that you will attend these meetings and learn how God wants to use YOU to share the Gospel of Jesus Christ with Jews and Muslims in your neighborhood.

Dr. Steve Cook is founder / President of JWMM, Inc. He is active in reaching the Jewish people for Christ and preaching on Israel & Prophecy worldwide.

Safeeya is active in sharing the Gospel to Muslims and to Jewish Holocaust survivors worldwide.

Listen to a former Muslim lady that grew up in the Middle East share her story of turning from the Koran to Christ

Are we living in the Last Days? What in the world is going on? Is Jesus coming soon?

Dr. Steve Cook, JWMM will look at these topics and many more as he preaches on end-time Prophecy nightly... You don't want to miss it!
